Seller has the burden to support the amount of Seller's claim for equitable adjustment. Further, Buyer shall have the right to verify the amount of Seller's claim in accordance with the Financial Records and Audit Article of this PO. Failure of the Parties to agree upon any adjustment shall not excuse Seller from performing in accordance with Buyer's direction.

- c) If Seller considers that Buyer's conduct constitutes a change, Seller shall notify Buyer's Authorized Procurement Representative promptly in writing as to the nature of such conduct and its effect upon Seller's performance. Pending direction from Buyer's Authorized Procurement Representative, Seller shall take no action to implement any such change.
